

# Robotics Agreements:

I understand the purpose of robotics club is increase my understanding of **robotics engineering, computer programming** and my ability analyze and solve problems as part of a **team** . I also understand that the robotics club meets Monday, Tuesday and Wednesdays and I will have weekly assignments that I will accomplish outside of school or club meetings.

I agree to the following rules of conduct for robotics club members:

## **Be Respectful**

- I will physically conduct myself in a manner that is respectful to others and maintains a SAFE & positive working space for all (no 'horseplay' of any kind) \*
- I will use Positive, kind & encouraging words\*
- I will use my assigned supplies and my own personal belongings (do not handle other peoples personal items or robotics creations)
- I will be respectful with Lego robotics club supplies (do not "toss" or throw any supplies, laptops must be in sleep mode with the lid closed when moving to another location) \*
- Do not remove any robotics materials from the classroom without permission. YOU must sign out any materials\*

## **Be Focused**

- My LEGO building will be club focused. (all items must have a specific purpose for our club)
- No use of personal electronics
- I will sign out when I leave the room
- I will use meeting time for robotic club activities. (while it's O.K. to socialize while you work, you should be focused on club activities).

***\*Failure to follow these rules can result in IMMEDIATE removal from club and disciplinary action.***

Please sign below that you understand and agree to follow the above behavior expectations during Robotics Club meetings.
